INDEPENDENT AUDITOR'S REPORT

To the Directors of Fresh Start Recovery Centre

Opinion

We have audited the financial statements of Fresh Start Recovery Centre (the Centre), which comprise the statement of financial position as at March 31, 2026, and the statements of revenues and expenditures, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Centre as at March 31, 2026, and the results of its operations and cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO).

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Centre in accordance with ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with ASNPO, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Centre's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Centre or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Centre's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

(continues)

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Centre's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Centre's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Centre to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

1. DESCRIPTION OF OPERATIONS

Fresh Start Recovery Centre (the Centre) is a not-for-profit organization providing services to house, treat, and support those affected by addiction. The Centre is registered as a charity and is incorporated under the Societies Act of the Province of Alberta. The Centre is exempt from income taxes pursuant to section 149(1)(l) of the Income Tax Act; accordingly, no provision for income taxes has been provided for in these financial statements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation

The financial statements were prepared in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO).

Fund accounting

Fresh Start Recovery Centre follows the restricted fund method of accounting for contributions.

The Operating Fund accounts for the Centre's program delivery and administrative activities. This fund reports unrestricted resources and restricted contributions intended only for operations.

The Property and Equipment Fund reports the assets, liabilities, revenues and expenditures related to the Centre's capital assets and building expansion campaigns.

Cash and cash equivalents

Cash includes cash and cash equivalents. Cash equivalents are investments in treasury bills and are valued at cost plus accrued interest. The carrying amounts approximate fair value because they have maturities at the date of purchase of less than ninety days.

Revenue recognition

Restricted contributions intended only for general operations are recognized as revenue of the Operating Fund in the year in which the related expenses are incurred. All other restricted contributions are recognized as revenue of the Property and Equipment Fund.

Unrestricted contributions are recognized as revenue of the Operating Fund in the year received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Investment income earned on building campaign resources is recognized as revenue of the Property and Equipment Fund. Other investment income is recognized as revenue of the Operating Fund when earned.

The Centre recognizes earned revenues in the Operating Fund when all the following conditions are met:

- services are provided to customers
- there is clear evidence that an arrangement exists
- amounts are fixed or can be determined
- the ability to collect is reasonably assured.

(continues)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Donated services and materials

The value of donated materials and services is recorded only when the value of such contributions can be reasonably determined, and only when the materials and services would normally have been purchased by the Centre in the course of operations.

Property and equipment

Property and equipment are stated at cost less accumulated amortization. Assets are amortized over their estimated useful lives at the following rates and methods:

Buildings	1%	declining balance method
Leasehold improvements	5 years	straight-line method
Motor vehicles	30%	declining balance method
Computer equipment	30%	declining balance method
Furniture and equipment	20%	declining balance method

The Centre regularly reviews its property and equipment to eliminate obsolete items, and for conditions that indicate impairment. Capital additions over $2,500 are capitalized.

Capital contributions

Contributions for acquiring fixed assets are recorded as deferred capital contributions and are amortized on the same basis and same rates as other related fixed assets. Revenue on deferred capital contributions is recognized at the same rate as amortization. Capital contributions for acquiring undepreciable fixed assets are recognized in net assets as the eligible expenditures are incurred as per ASNPO.

Financial instruments

Financial instruments are recorded at fair value when acquired or issued, with the exception of related party transactions that are measured at the carrying amount or exchange amount, as appropriate. In subsequent periods, financial assets with actively traded markets are reported at fair value, with any unrealized gains and losses reported in income. All other financial instruments are reported at amortized cost, and tested for impairment at each reporting date. Transaction costs are recognized as an expense in the period incurred for all financial instruments subsequently measured at fair value. Financial instruments that are subsequently measured at amortized cost are adjusted by the transaction costs and financing fees that are directly attributable to their organization, issuance or assumption.

All financial assets and financial liabilities are measured at amortized cost, unless otherwise noted.

(continues)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Measurement uncertainty

When preparing financial statements according to ASNPO, management makes estimates and assumptions relating to:

- reported amounts of revenues and expenses
- reported amounts of assets and liabilities
- disclosure of contingent assets and liabilities.

Estimates are based on a number of factors including historical experience, current events and actions that the Centre may undertake in the future, and other assumptions that management believes are reasonable under the circumstances. By their nature, these estimates are subject to measurement uncertainty and actual results could differ. In particular, estimates are used in accounting for certain items such as revenues, allowance for doubtful accounts, useful lives of property and equipment, asset impairments, and legal contingencies.

3. DEFERRED FINANCE CHARGES

Deferred finance charges relates to expenses paid for a loan secured by related property. These charges are being recognized on the same basis as the mortgage term.

4. PROPERTY AND EQUIPMENT

	Cost	Accumulated amortization	**2026 Net book value**	2025 Net book value
Land	$ 9,350,233	$ -	**$ 9,350,233**	$ 9,350,233
Buildings	18,104,596	1,443,358	**16,661,238**	16,829,533
Leasehold improvements	236,896	171,246	**65,650**	113,030
Furniture and equipment	1,583,501	1,144,243	**439,258**	492,435
Motor vehicles	145,375	117,092	**28,283**	37,435
Computer equipment	460,160	340,285	**119,875**	152,084
	$ 29,880,761	$ 3,216,224	**$ 26,664,537**	$ 26,974,750

5. DEFERRED REVENUE

Deferred contributions represent unspent resources subject to externally imposed restrictions requiring that funds be used for specific purposes, and comprise the following:

	2026	2025
Balance, beginning of year	**$ 3,352,674**	$ 2,170,507
Contributions received in the year	**3,431,167**	4,311,352
Amounts recognized as revenue	**(4,326,776)**	(3,129,185)
Balance, end of year	**$ 2,457,065**	$ 3,352,674

6. DEFERRED CAPITAL CONTRIBUTIONS

Assistance received for the purchase of property and equipment are recorded as deferred capital contributions and amortized to income at the same rate as that property and equipment is being amortized.

	2026	2025
Balance, beginning of year	**$ 488,825**	$ 493,763
Contributions received in the year	**83,706**	-
Amounts recognized as revenue	**(8,153)**	(4,938)
Balance, end of year	**$ 564,378**	$ 488,825

7. MORTGAGE PAYABLE

	2026	2025
Servus Credit Union loan bearing interest at 3.83% per annum, repayable in monthly blended payments of $32,441. The loan matures on September 1, 2029 and is secured by related property which has a carrying value of $15,230,948.	**$ 8,229,833**	$ 8,304,798
Loan payable to related party bearing interest at 5.25% per annum, repayable in monthly blended payments of $9,388. The loan matures on December 20, 2029 and is secured by related property which has a carrying value of $896,875.	**783,137**	858,247
	9,012,970	9,163,045
Amounts payable within one year	**(147,978)**	(141,438)
	$ 8,864,992	$ 9,021,607

Principal repayment terms are approximately:

2027	$ 147,978
2028	154,828
2029	162,004
2030	169,520
2031	177,391
Thereafter	8,201,249
	$ 9,012,970

8. GOVERNMENT OF ALBERTA GRANT FOR LETHBRIDGE RECOVERY COMMUNITY OPERATIONS

The Centre received a grant from the Government of Alberta of $1,341,036 (2025 - $3,300,289) (2024 - $4,766,595), for a total funding of $9,407,920 as at March 31, 2026. This grant is intended to provide funding for the Lethbridge Recovery Community Operations. The renewed agreement was signed on February 06, 2026 for three years term ending on March 31, 2029 with total funding of $9,943,624.

As at the end of fiscal year 2026, the Centre incurred operating and capital expenditures of $3,090,359 (2025 - $2,162,106). The unspent amounts are included in deferred revenue (Note 5).

Government of Alberta grant revenue of $3,090,359 includes $258,276 allocated to an administration and reporting grant for the Centre.

9. RECOVERY ALBERTA ADDICTION AND MENTAL HEALTH FUNDING

The Centre has funding agreements with Recovery Alberta or Residential Addiction Treatment Activities (RATA). Funding is restricted for the purpose of providing residential addiction treatment services to support clients and the community in addressing substance abuse and process addiction related issues and is subject to specified reporting requirements.

Recovery Alberta currently funds 42 residential addiction recovery beds through three agreements, consisting of 31 Bed Based Addiction Treatment beds, 10 Bed Based Addiction Recovery beds, and 1 additional Bed Based Addiction Treatment bed. Recovery Alberta has advised the Centre of its intention to renew all three funding agreements by July 31, 2026, with the renewed terms extending from their respective expiry dates to March 31, 2028. The Centre also operates a separately funded 23-bed residential addiction treatment facility, with the current agreement expiring in March 2027.

RATA funding received by the Centre in the current fiscal year totaled $2,904,498 (2025 - $2,902,386), which is included as revenue recognized in the Operating Fund.

10. TRANSFER OF PROPERTY AND EQUIPMENT TO THE PROVINCE OF ALBERTA

In 2017 the Government of Alberta moved from a grant to an investment funding strategy, and as a result ownership of the Centre's two residential properties was transferred in 2019. The Centre has agreed to operate the properties under an initial 25 year lease agreement for consideration of $1 per year. The Centre will have the option to renew the lease for up to two consecutive renewal terms of ten years each and remains responsible for all associated operational activities.

11. FINANCIAL INSTRUMENTS

The Centre is exposed to various risks through its financial instruments and has a comprehensive risk management framework to monitor, evaluate and manage these risks. The following analysis provides information about the Centre's risk exposure and concentration as of March 31, 2026.

Credit risk

Credit risk arises from the potential that a counter party will fail to perform its obligations. The Centre is exposed to credit risk from customers. An allowance for doubtful accounts is established based upon factors surrounding the credit risk of specific accounts, historical trends and other information. The Centre has a significant number of customers which minimizes concentration of credit risk.

Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The Centre is exposed to this risk mainly in respect of its receipt of funds from its customers and other related sources, and accounts payable.

Interest rate risk

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in the interest rates. In seeking to minimize the risks from interest rate fluctuations, the Centre manages exposure through its normal operating and financing activities. The Centre is exposed to interest rate risk primarily through its bank indebtedness.

Unless otherwise noted, it is management’s opinion that the Centre is not exposed to other significant risks arising from these financial instruments.

12. CONTINGENT LIABILITY

The Centre is involved in a lawsuit filed by a former employee alleging wrongful termination. Although exact estimates relating to the outcome of open claim cannot be reasonably made, it is management's opinion that none will have a material impact on the financial position or operating results of the centre. Accordingly, no contingent losses have been accrued in these financial statements.

13. COMPARATIVE FIGURES

Some of the comparative figures have been reclassified to conform to the current year's presentation.
